

Focus on Precision Student Model

Name Example Student

Date 3/15/17

Date Complete	Assignment Name	Hints/Videos	Time Spent	Amplifier & Do-Over?	Final Score
3/16/17	Evaluate Numerical Expressions	4/1	11:07	No	85%
3/17/17	Place value and multi-digit decimals	1/0	6:11	Yes	90%
3/20/17	Word Problems: Add & Subtract Fractions with Like Denominators	5/2	12:15	No	80%
3/22/17	Multiplying Two Fractions	2/1	10:46	No	95%
3/22/17	Ordered Pairs and Figures	3/0	8:12	No	82%

My Goal is to score at least 80 % on each assignment, and complete \leq 2 Amplifiers/Do-Overs.

In order to accomplish my goal, I will:

- Slow down when working on my problems
- Double check my answers before submitting each question
- Use Hints when I am stuck
- Watch the videos and try to apply them to my problems
- Ask my teacher for help when the hints and videos don't help me
- Read the explanations when I get something wrong
